

CROSSROADS

ADAPTIVE ATHLETIC ALLIANCE

Crossroads' Adaptive Coaches Seminar

One day seminar designed to introduce coaches to the intricacies of adapting programming for athletes with varying physical needs

ABOUT Hands-on program designed to introduce attendees to adapting programming for athletes with varying physical constraints. Designed by a staff that includes DPTs, Public Health Professionals, Adapted Sport coaches, Paralympians. The curriculum is research & experience based and appropriate for PT/OT/RT, fitness professionals, adapted physical educators.

OBJECTIVES Participants will better understand movement adjustments needed to maintain an inclusionary environment with adaptive athletes present, be more comfortable communicating with and coaching adaptive athletes

CREDENTIALS Crossroads is authorized to provide CEUs for successful completion of this seminar through CrossFit, NASM, and AFAA

September 14 2019 CrossFit and NASM CEUs available
